

BUILT TO LEAD

Veteran & Military Family
Entrepreneurship Program

You faced challenges with honor. Now use leadership
to build a business, create opportunity, and leave a legacy.

A course to help you create and start your own business.

Seven hands-on sessions for veterans exploring
business ownership or preparing to launch.
You do not need a finished business plan or
prior business education.

What you'll build during this course:

- A focused business idea, and customer profile
- A simple business model, pricing, and funding plan
- A practical marketing and sales plan
- A final pitch and 90 day launch roadmap
